NEWSLETTER No 33 Spring 1990

Editorial:

This year there is a splendid opportunity for young people to learn to play bridge or to improve their bridge and enjoy a weeks holiday, with others of the same age and with sports facilities available. Full board accommodation is only £95.25, including all bridge activities, at the first Junior Bridge Summer Camp to be organised by the BBL at Aston University, Birmingham from 5th-11th August 1990. Any individual under 25 can take part, so please bring this to the attention of anyone you know who may be interested and urge them to take advantage of this wonderful opportunity, since we need many more young players in Wales.

A new Junior/Junior Camrose has been introduced for players under 20, and this year Wales was unable to field a team, so help us to do so in 1991 by encouraging any young people you know to attend and learn to play bridge, or those who already do so to improve their bridge. The new Educational Trust has offered Wales £200 towards expenses to encourage a Welsh team to enter, so please do your part to help find the players.

In the last few years our Junior Camrose team has usually achieved second place to England. This year the result was England 161, Scotland & Wales joint second with 137 and Northern Ireland 93 and in the under 19 match Scotland beat England by 47 to 43VPs

Any players under 25 who are already members of the WBU and therefore contenders to represent Wales in the Junior internationals in 1991 should attend the camp to improve their bridge and help to achieve success for Wales in 1991 and at the same time have an enjoyable holiday with other bridge enthusiasts.

Please send for application form and full details to the BBL secretary, Mrs Anna Gudge, 13 Chaucer Road, Sudbury, Suffolk, CO10 6LN
Telephone number 0787 75720.
