Notes with Cambria Cup Draw

The Cambria Cup uses knockout throughout. There are 12 entries so four teams get byes in round one.

This is a full draw covering all the matches. The draw is regionalised in rounds one and two. The semi-final is drawn without geographic constraints. The upper team in each match is at home.

You should strive to play your matches by the dates given in the table. Please keep the organiser informed if you have difficulty in achieving this.

The [Yearbook](#) covers matters such as arranging matches and getting rulings when matches are played privately.

If circumstances require it, such as teams failing to agree dates, the organiser will exercise discretion. The organiser also has discretion to resolve disputes and make whatever adjustments are necessary in the interests of the competition as whole. In extremis, a team may be disqualified.

All players must be members of the WBU. There may be up to a maximum of 6 players in a team; extra players who have not played in the event may be added at any time, but notification before they play must be received as explained in the Yearbook.

The Cambria Cup uses aggregate scoring, each team must be playing at least one member of each sex at any given moment, and pairings rotate.

Rounds 1 and 2 are 30 boards, the semi-final is 36 boards and the final is 48 boards. A match consists of one or two sessions each split into three sets. Each team plays the same four players for a whole session and partnerships are rotated after each set. Where both teams field just 4 players, 30 or 36 board matches should be played as one session with sets of 10 or 12 boards respectively. Where one or both teams field more than 4 players, 30 or 36 board matches are divided into two sessions, each set having 5 or 6 boards. The 48 board final is always played as two sessions each having three 8-board sets.

Remember that at no time may an all male or all-female team play. In the event of a tie, further sets of 4 boards will be played until the tie is broken. Each set of boards will count as a group under Rule 17.

Address queries and send results to me, Mike Tedd, by email to mike.tedd@aber.ac.uk (preferably), telephone 01970 611518 or by post to Llys Blodau, Iorwerth Ave, Aberystwyth SY23 1EW. Please include the names of people playing in each match if you have a team of more than 4.

For your interest, the draw for Welsh and Cambria Cups is done by sending just the team numbers to someone else for randomising (consistent with regionalisation).
