

The Celtic Simultaneous Pairs

The Celts are back!

A brand new event this year which is open to **ALL** is the Celtic Simultaneous Pairs.

If it is open to all, then why the name? We welcome clubs from every country and the profits will be shared between the Celtic Unions.

Northern Ireland held their successful heat in April, it is the turn of Wales in December.

Come and join us in what should be a fun and exciting event - it will be scored by the tried and trusted team of Anna Gudge and E-Cats.

Our preparation for the event would be eased if we could anticipate the size of the entry, so we would be very grateful if you could please complete the entry form below and send it to:
