## Come and experience an enjoyable day of bridge - and raise money for charity

This is a charity event organised by the Cowbridge Rotary Club and supported by the Welsh Bridge Union ([www.wbu.org.uk](http://www.wbu.org.uk)) and East Wales Bridge Association ([www.ewba.org.uk](http://www.ewba.org.uk)). Money raised will be shared between Marie Curie Hospice (Cowbridge Rotary President's charity), Holme Tower and other Cowbridge Rotary Charities. Holme Tower is widely respected in South Wales for providing high quality nursing care to terminally-ill people.

This bridge event is aimed at providing an enjoyable day of bridge for all "club" bridge players. The event will carry "local" points.

There will be prizes for the highest score in each round and additional prizes for the three pairs with the highest score overall. There will be a special prize for the highest pair with both players below the rank of "Area Master". There will also be a prize for the Bridge Club whose members achieve the best team performance - a team consisting of 2 or more pairs. The winning pair will also receive the "Rotary Trophy" that will be held for a period of one year.

Each match will be scored by calculating the IMPS gained or lost against bridge hands played by some of the world's top players. A booklet of the 49 bridge hands that you will play will be provided at the end of the event. The booklet will be written by an internationally renowned bridge author and contain tips on how the hand should be bid and played as well as what actually happened when the "experts" played the hand.
