

Please remember that the 2013 international training weekend will take place on Saturday 21 and Sunday 22 September 2013. As usual, there will be a choice of venues, one in North Wales and one in East Wales. There will be two main facilitators at each venue and other contributors. We are planning for these to include an external speaker this year.

All players intending to take part in trials in 2013-4 should please attend. As well as helping you to hone your technical and match skills, attending will give you a chance to meet up with fellow trialists and demonstrate your commitment to bridge in Wales. Players of similar ability who are not taking part in the trials are also welcome to attend.

Note that this year there will be a small charge at both venues of £5 per player per day to cover room hire and refreshments.

Further details will follow in due course.
