**Competition & Masterpoint
Journal**

2011-2012

From the Chief Executive – Neville Richards

Dear Fellow Members,

Here finally is your Journal and I apologise for the delay in publication caused by a review of our competitions by the Management Committee which is ongoing. We have now introduced a facility to upload Club results and Master Point allocation directly to the WBU secure server from computer scoring programs by Scorebridge and PairsScorer, both of which have been modified for WBU use.

This Journal contains Master Point listings by Rank and also alphabetically. The alphabetical listing shows your new six figure number for computer scoring. By registration on the website at www.welshbridgeunion.info, members may view their Master Point holdings and address details held by the WBU on a secure server. The resources page on the same site is only accessible by separate registration.

Clubs without a website or computer scoring facilities should contact me to find out how the WBU can help.

I wish you the best of bridge!

Neville Richards

INTRODUCTION

From the President

In my last presidential year I visited 49 of our 52 affiliated clubs, on at least one occasion plus 3 unaffiliated clubs

10 weekend congresses attended plus represented Wales on 4 occasions, 2 abroad and played in various national finals,

I have received about 450 questionnaires which I have started analysing to produce a report for Council/ Management committee

A schedule of meetings, fortunately a lot by Skype and a vast number of e mails despatched and read.

Watched all trials except Juniors and captained Ladies team in Ireland and supported Seniors in Oxford for 1 day, they started doing well after I left so message to be learnt here.

I have received all round support from clubs and fellow committee members and only upset a small number of people, most of whom I have apologised to. More positively I have met a lot of new people and got to know others much better than I did.

I hope I have gone some way in trying to meet my aim of encouraging WBU members at all levels of experience and ability.

I have already arranged some visits up to end of 2011.

A concern is still poor behaviour putting some people off and I believe the review group I have chaired have come up with some positive suggestions that the WBU can reflect on and adopt.

And thanks to all who have provided me with accommodation and food on my travels.

GENERAL

This Competition and Master point Journal is intended as a reference handbook for members. In it you will find information on the Union's structure, rules and competitions, as well as your own (and everyone else's) master point holding.

The Club section gives venues, playing nights and contact details for each affiliated club in Wales. In the Masterpoint section, members' clubs of registration are referred to by abbreviations, a list of which appears at the beginning of the master point listing.

Entry to WBU national competitions listed on pages 22-30 is restricted (with the exception of the Invitation Pairs and simultaneous pairs), to members of the Union, though non-members may play in Congresses and one-day Green Point events. (However they will usually need to be members of another national bridge organisation) Direct Members should note that they might not be eligible to play in events held under the auspices of Area Associations; please check with the Area Tournament Organiser if in doubt.

The general rules applying to Contract Bridge in Wales are printed on pages 17-21; please note particularly the introductory paragraphs relating to Directives and Conventions, Rule 1 b), and the rule concerning mobile telephones. Rules, venues, start times and closing dates for individual competitions can be found on pages 22-30.

National Finals are generally held at venues in Mid Wales.

From time to time, due to unforeseen circumstances, events may have to be rescheduled, please check the WBU website for the latest details. www.wbu.org.uk

International Events

The Camrose Trophy 2011

Wales won the Camrose after about 70 years of trying!

The home internationals for open teams. First held in 1936, the Camrose is the most-played international bridge series in the world.

For the first weekend the team representing Wales was Paul Denning & Patrick Shields, Peter Goodman & Adrian Thomas, Dafydd & Gary Jones. Their captain was Alan Stephenson.

Also present in the Camrose this year was a team representing the WBU – it being the privilege of the team hosting the second Camrose weekend to provide a second team. This team was Mike Best & Mark Roderick, Alex Hogg & Alex Maddocks, and John Salisbury & Mike Tedd. Their captain was Gwynn Davis.

Wales continued its 2011 Camrose campaign on home ground – in Llandrindod Wells in Powys, having ended the first weekend very respectably placed just 4 VPs behind England. The team representing Wales was the same team as for the first weekend – Paul Denning & Patrick Shields, Peter Goodman & Adrian Thomas, Dafydd & Gary Jones. The captain was Alan Stephenson.

The team representing the WBU was – Alex Hogg & Alex Maddocks, John Salisbury & Mike Tedd, and making their debut this weekend was Simon Richards & Trevor Towers. Their captain was Mike Close. Full report on the WBU website.

Team WBU – Llandrindod Wells

Alex Hogg - Trevor Towers - Mike Tedd – John Salisbury
Simon Richards - Alex Maddocks – Mike Close (NPC)

Senior Camrose

A win for Wales

The Seniors Camrose was in Oxford in the last weekend of May 2011.

Wales were only 4th= at the start of Sunday, when a stunning 25-0 win over the then leaders Ireland, a 20-10 win over the new leaders Northern Ireland, a 17-13 win against the Teltscher team and a narrow 14-16 loss to England in the tense last match saw our first success in this event.

The victorious Welsh team: Liam Sheridan & Gwyneth Dew, Tony Disley & Roger Penton, Mike Hirst & Jim Luck, with NPC Mike Tedd

Junior Camrose (*under 25s*)

The Junior Camrose 2011 was in Ayr 19-20 February. The Welsh team was: Chris Owen & James Boulton, Becky Watkins & Horia Maior, James Harris & Jonathan Richards, with NPC Alan Jones. After a very poor start the team rallied and rose above the bottom spot with one round to go, but this didn't last so we won the wooden spoon again.

Directives and Conventions

The WBU has decided to adopt the English Bridge Union's Directives and Permitted Conventions as contained in the "Handbook of EBU Directives and Conventions" (The Orange Book), published by the Laws and Ethics Committee of the EBU. The WBU arranges for the downloads by our clubs. The WBU has also authorised the Newport Club system for Welsh events. All WBU competitions and events are Level 4 or 5, with the exception of novice events that may be held from time to time as Level 2 events.

WBU Competition Rules: General

- 1 This is the only set of competition rules for WBU events and should be read in conjunction with rules laid down for events shown under individual headings, save that:
 - a) The WBU Tournament Committee reserves the right to make emergency amendments to these rules, which will be notified to the relevant competitors and published in the WBU Magazine or Newsletter.
 - b) Where no rule is stated in this Journal or made under a) above, the EBU Tournament Director's Guide ("White Book") shall apply.
- 2 Copies of the EBU Orange and White books may be found at <http://www.welshbridgeunion.info> or <http://www.ebu.co.uk>.

General Rules

- 3 All competitors must have paid the current year's WBU subscription before entering competitions or trials. They must also conform to the eligibility conditions laid down in the Constitution of the WBU (see extract below). This does not apply in respect of the Simultaneous Pairs and School Teams Championship.

Extract from Constitution:

19.1 For International events, the eligibility rules of the organisers shall apply.

19.2 In representative matches between Areas or parts of Wales, only persons of Welsh birth or Welsh parentage or who are domiciled in Wales shall be eligible to play.

- 4 Master Point awards are shown for each event. Where the awards are shown as Local points, the events are not classed as of "National Standing". In team events, each member of a team must play at least one-third of the boards, or ten boards, whichever is the greater, to qualify for Master Point awards. Awards for Area competitions are listed in the Master Point Handbook.
5. a) No player may enter more than one team or pair in any one competition.
b) Area championships: Qualification criteria are subject to the jurisdiction of Areas. A player may attempt qualification for any one championship in one club only. Members of more than one Area may enter for Area championships in each Area, but Green points will be awarded only in the first Area final played. A player who is a member of a team that plays in an Area final is considered to have played in that final.
c) National championships; Players may attempt qualification in one Area only, and if there are club heats, in one club only. Four pairs shall be deemed the minimum number in a preliminary round of a pairs event. Members who are unable to play in their own club heats may apply to another club; clubs shall not refuse such an application provided:
 - i) due courtesy has been exercised and at least 7 days' notice given by the player(s) in question;

- ii) sufficient space is available at the venue (clubs should where possible ensure that the venue for qualifying heats, if not the club's normal venue, is at least large enough to accommodate the number of pairs or teams that could reasonably be expected); and
 - iii) a visiting player has not been barred from playing for disciplinary reasons.
- d) Where an Area event doubles as a qualifying heat of a National competition, the rules for the National competition apply only to pairs entered for the National competition. A club's or Area's total entry shall be determined by the number of pairs who, having paid the entry fee for the competition in question, have competed in no fewer than 50% of qualifying sessions. Separate rules apply to the Webber Cup competition.
6. Entries for the Welsh Cup & Cambria Cup must be submitted to Linda Greenland. **Requests to play in the Invitation pairs should reach Patrick Jourdain by 31st July.** Early entries on the official forms (available for download from the WBU website) are appreciated. Entries will be accepted only when the appropriate fee is forwarded simultaneously, and this will be strictly enforced. All cheques should be made payable to the Welsh Bridge Union, and an acknowledgement will be sent only if a stamped addressed envelope is enclosed. Closing dates are stated in order to allow time for necessary preparation. Entries may however, close before the stated date if the available space has been filled or late entries maybe accepted if they do not disrupt the arrangements made.

7. Entry fees & table money per player are as follows:

Invitation Pairs:		£25 per player plus £15 contribution to prize fund
Graded Masters:		£25 per player
Men's/Ladies' Weekend		£12 per player per event
Welsh/Cambria Cup		£5 per player
Simultaneous Pairs		£2.50 per player (+ usual club table money)
Open Pairs Mixed Pairs Webber Cup Teams of Eight	First qualifying round:	£2 per player (Area heats only played as Sim Pairs)
	Final (except Teams of Eight)	£25 per player
	Final (Teams of Eight)	£15 per player

Please note that Area Associations may in addition make reasonable charges for Area finals.

Heat organisers of the Webber Cup, Teams of Eight, Open, and Mixed Pairs must inform the NTO of entry numbers by the dates given in the competition details. All entry fees, except for the WBU simultaneous pairs, should be sent to the NTO. Entry fees for the WBU Simultaneous are to be sent to the CEO. Cheques should be made payable to the WBU.

8. Unless specified in the rules relating to a particular competition -
- i) Ties will be decided in accordance with rules laid down in section #143 of the EBU White Book currently in force;
 - ii) Allocation to the National Final will be made using the formula:

$$\frac{(\text{TOTAL AREA ENTRY} * \text{NUMBER OF PAIRS IN FINAL})}{\text{TOTAL ORIGINAL ENTRY}}$$

Areas will find reserves from within their own area qualifying event. Where an area is unable to fill its allocation, places will be offered to other areas. Priority will be given in allocating spare places to the area(s) with the lowest percentage of qualifiers compared with their un-rounded allocation.

9. The Tournament Committee will take disciplinary action against any player, pair or team that withdraw(s) either before or during a WBU event without due notification to the NTO and/or adequate reason. Appeal against such action may be made to the Executive Council.
10. A substitute must not have already been eliminated from the event, and must not subsequently play in the event in another team or pair. In Men's, Ladies and Mixed Pairs, the substitute must be the same sex as the absent player.

Pairs and Individual Events:

- a) Area and National Finals: no substitutes are allowed except in an on-the-spot emergency when the director will use his discretion.
- b) Club qualifying heats and Club championships: for one and two-round heats, no substitute is allowed; for three-round heats a substitute is allowed for one round only and the other player must play throughout.

Teams:

An additional member may be enrolled at any time under the conditions of rule 12, provided there are fewer than six players already in the team.

11. Players will be considered to have expressed their primary allegiance to the Area through which they have paid their WBU subscription. If any player has paid a subscription through more than one Area, the area of their Club as published in the Master Points section of this Journal shall be considered their area of primary allegiance.
12. In open teams events, teams may consist of 4, 5 or 6 players, this limit applying for the duration of the competition. An entry will not be accepted unless at least 4 players are nominated. Additional members must be nominated to the CEO or NTO before they play. In an emergency such additional members may be declared to an ATO and the entry fee paid.

In knock-out events, captains must designate a town in Wales as the home base at the time of entry; this will be regarded as the venue of the team's home matches

Knock-out Teams Events:

13. In team events, on receipt of the draw it is required that the home captain contact his opponent, preferably the same day and by telephone. If the away captain has not been contacted within one week of receiving the draw, he should attempt to contact the home captain (this in no way absolves the home captain from the requirement to telephone first). During this conversation, a selection of suitable dates should be proposed by each Captain, one of which will be confirmed as soon as possible. If a date cannot be agreed and the match has to be awarded, then it will generally be awarded to the away captain, provided that:
 - a) He has not asked for a halfway venue;
 - b) He has not broken a previously-arranged date;
 - c) He has offered three dates, one of which must be a Sunday, and no more than two of which fall within one 7-day period.

If any of a), b) and c) above applies, the match will be awarded to the home captain unless b) or c) applies to the home team, in which case the matter will be referred to the CEO who will, in consultation with the President if necessary, award the match on the facts or, as a last resort, by the toss of a coin.

14. Teams will be zoned in the early rounds, but the away team captain may demand a halfway venue if the distance between the two home bases is greater than 75 miles. The responsibility for organising the halfway venue is that of the away captain, but expenses shall be shared.

15. Team changes may be made whenever a group of boards is scored. Each team will, in turn to be decided by the toss of a coin, have the right to seat its players last, alternating after each group of boards.
16. Late matches disrupt the competition. The dates given by the organiser at the start of the competition constitute the final dates for each round. An extension (max. 7 days) will only be given if both captains request it before the date. Where an extension is granted, the winning captain's chance of a favourable adjudication on an inability to agree dates in the subsequent rounds will be seriously prejudiced.
17. Winning captains must telephone or email the organiser within 24 hours, with names of those who played in the match in both teams and the number of boards played by each player. In the Cambria & Welsh Cup matches telephone or email Linda Greenland.
18. Should a team arrive more than thirty minutes late, its opponents have the right to curtail the match by four boards for every half-hour of lateness, which right they may legitimately exercise or renounce after 16 boards of play (one-third of the boards in the Cambria Cup).
Where opponents have failed to notify of lateness, the match may be claimed after one hour, or where the opponents have notified, after two hours, subject to appeal to the Tournament and Master Points Committee. A team, on receipt of notification that their opponents are going to be more than one hour late, may decline to play on that date.
19. In any dispute which does not concern laws, regulations, ethics, rulings or appeals, the ruling of the Tournament and Master Points Committee, including the award of the match, shall be final.
20. In return for not having to travel, the home team is expected to provide refreshments for both teams. The scale on which this is provided should take into account the length of the match and the distance travelled by the away team.

Miscellaneous

21. Mobile telephones and other electronic devices must be kept switched off at all times in the playing area from the start of play in each session until after the last player has finished playing in that session. It is not acceptable for such devices to be kept switched on "vibrate" or other silent setting. A fine of 2 Victory Points or 12 IMPs or 40% of a top (according to the form of scoring for the event in question) may be imposed on any pair or team if a mobile telephone or other device belonging to or carried by any player in that pair or team sounds during the session or if a player attempts to make a telephone call during the session.

A player who believes he has good reason such as family illness or medical alert to require that his telephone be kept switched on during a session may request that the Director keep charge of the telephone for the duration of the session.

Laws & Ethics Committee regulations

22. The WBU has decided that a record should be kept of psychic bids made in National competitions, and players are requested to report such bids to the Tournament Director. All records of psychic bids and appeals forms should be sent to the CEO or NTO.
23. Convention cards must be provided by all players at all stages of National and Area events, or the partnership will be assumed to be playing "simple systems". Acceptable convention cards are those in the format published by the English Bridge Union as EBU 20, 20A and 20B. WBF convention cards are not acceptable for Welsh Bridge Union events. Clubs are encouraged to follow the same principle, but this will be left to the discretion of the Clubs.
24. A contestant or his captain may appeal for a review of any ruling made at his table by the Director. The appeal to a WBU Appeals Committee or Referee is subject to a deposit of £20 for

a pair and £30 for a team. This is returned at the discretion of the Appeals Committee, and its decision is based upon whether it considers the appeal to have been frivolous for the class of player involved. The test in the ease of an experienced appellant would be if the Committee came to a unanimous decision with little or no discussion; the less experienced the player, the more understanding the Committee would be.

Appeals to the National Authority are settled by the WBU Laws and Ethics Committee, and must be submitted in writing to the WBU Chief Executive enclosing a deposit of £75. You should inform the Tournament Director of your intention to appeal, since the Committee may want information from him/her, as well as the comments of the Referee or Appeals Committee that heard the original appeal. The deposit will normally be returned only if the Laws and Ethics Committee considers the appeal to involve a question of principle, error of direction, or an error in the application of Law or Regulation. The Committee does not revise value judgments unless they are grossly inappropriate.

No appeal to the National Authority will be allowed if there was not a request for an Appeal against the Tournament Director's ruling under Law 92A.

The outcome of an appeal to the National Authority, or some other intervention by the Laws and Ethics Committee, will affect the result of a match in a knock-out competition only if the decision is made before the publication of the draw for the next round.

25. If a ruling of first instance is required in a match played privately, the procedures outlined below should be followed:

- a) Captains agree upon an outcome – this is final.
- b) Captains contact a WBU Tournament Director (TD):

Anne Jones 029 20651407
David Hamilton 029 20620215
David Stevenson 01516 777412 mobile 07778 409955
Roy Griffin 01792 366306

- c) Captains agree upon a suitable arbiter – his ruling should be treated as though it was from a TD.

Note that sometimes rulings are required late at night. The following TDs have indicated they are prepared to accept phone calls until 1.30 am:

Anne Jones 029 20651407
David Stevenson 01516 777412 mobile 07778 409955

26. If an appeal is required against a ruling of first instance in a match played privately, the Captains should contact a WBU Referee:

Anne Jones 029 2065 1407
David Stevenson 0151 677 7412 mobile 07778 409955
Patrick Jourdain 029 2062 8839
Glyn Williams 01656 667621

27. In any dispute that concerns laws, regulations, ethics, rulings or appeals, the decision of the Laws and Ethics Committee shall be final.

WBU Master Points Information

Master points won in National events will continue to be credited automatically to members, who should supply their WBU registration numbers to the organisers. The MP ranking list in this Journal is that at the end of last season; only those who were WBU members during that season and whose Home Union is the WBU are entitled to be included.

Master points won in events other than National events, and not automatically uploaded from scoring programs, will be credited by the MP Secretary only on receipt of certificates from members. When sending master point certificates, please quote your WBU membership number to avoid delays or the incorrect allocation of points. Please register your points regularly. A stamped addressed envelope is always appreciated. Only master points received by 30th April will be included in the totals in next year's ranking list.

Green points will be awarded for Area Open pairs and Open Teams championships. Areas are requested to send these results to the WBU Masterpoint Secretary. WBU Membership & Master Points information may be viewed at www.welshbridgeunion.info (Registration required).

BEST BEHAVIOUR AT BRIDGE

Bridge is an extremely enjoyable game. Courteous behaviour is an exceptionally important part of that enjoyment.

This guide serves as a brief reminder of how to behave at the bridge table. We are sure that all players naturally follow this code of conduct but there are times when concentration and pressure can take their toll and it is for these situations that we issue this as a reminder.

- Greet others in a friendly manner prior to start of play on each round.
- Be a good “host” or “guest” at the table.
- Make your convention card readily available to your opponents and fill it out completely.
- Make bridge enjoyable for yourself, partner and opponents.
- Give credit when opponents make a good bid or play.
- Take care of your personal grooming.
- Ensure that your mobile phone is turned off.
- Enjoy the company as well as the game.

Remember that it is rude to criticise your partner or opponents in public, to be less than polite at the table, to gloat over good results or object to a call for the tournament director or to dispute or argue about a director’s ruling.

Please call the Director if you think you may have been affected by bad behaviour. You will be helping others as well as yourselves.

As in all games that are governed by rules and regulations, bad behaviour will be penalized

If a player at the table behaves in an unacceptable manner, the director should be called immediately. Annoying behaviour, embarrassing remarks, or any other conduct which might interfere with the enjoyment of the game is specifically prohibited by Law 74A. Law 91A gives the director the authority to assess disciplinary penalties. This can include immediate disciplinary board penalties, and if a future violation is incurred at the same event, disqualification from future competition in that event. Any further violations may result in a disciplinary hearing where player(s) future participation in tournaments will be considered.
